

Rudolph, Rudolph

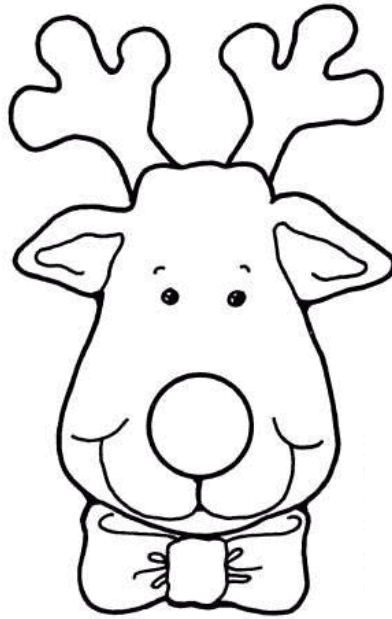

Rudolph, Rudolph what will you do?
You can't guide Santa, if your nose is all blue!

Rudolph, Rudolph what a funny fellow!
Who will know it's you if your nose is all yellow?

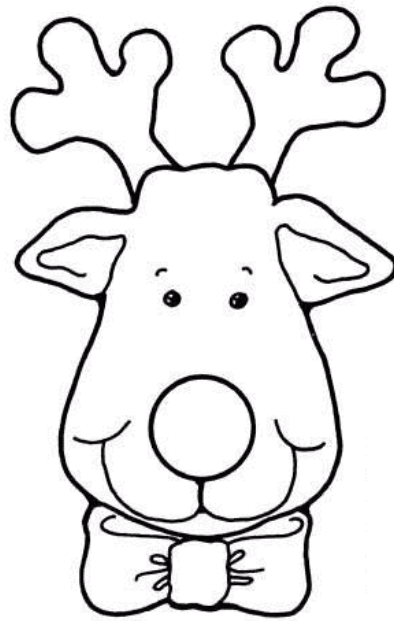

Rudolph, Rudolph, Your way cannot be seen.
Through wintry weather if your nose is all green.

Rudolph, Rudolph Santa has his sack.
But you're not ready if your nose is all black!

Rudolph, Rudolph Santa gave a wink.
But what will Santa think if your nose is all pink?

Rudolph, Rudolph the children are all in bed.
Now we know you are ready, 'cause your nose is all red!
